HAVEN RECOVERY CENTRE

RULES AND REGULATIONS FOR CLIENTS UNDERGOING TREATMENT.

1. No client is allowed to consume or to be in possession of any drugs, alcohol or any other mood altering substance, this is deemed as grounds for immediate dismissal.
2. Any criminal behavior of any kind by a client is prohibited.
3. No sexual activity and/sexual relationship is tolerated during stay at the center.
4. Clients may not self-prescribe medication (all medicines issued are to be referred by the resident nurse) including headache pills of all kinds.
5. Clients to refrain from any other behavior related to addiction e.g eating disorder, gambling addiction, sex addiction, e.t.c.
6. All acts of violence including self-mutilation or any form of violence towards one-self or others also abusive behavior of any kind is prohibited i.e no threatening, verbal or physical abuse is not allowed.
7. No contact with any of the center neighbors is permitted; clients are to respect the privacy of the neighbors at all times.
8. All treatment programs at the Centre are mandatory, no exception to the rule. If a client is sick or unable to attend any of the treatment programs, he/she must inform must the counsellor on duty who will determine whether he or she will be excused. There will be additional days depending on when the client missed a program.
9. In case of referrals, bereavement or work related issues , it's the obligation of the client's guardian, sponsor or family to come and pick the client or to organize and coordinate for the same with Centre management.
10. The center assumes no responsibility for the clients personal property or possessions kept in the Centre . clients are advised to leave their personal property e.g phones with their loved ones. Phone call is allowed only on Wednesdays.
11. Clients are allowed to take food from our main kitchen only.

I have fully read and understood the above rules and regulations to the best of my knowledge and commit myself to adhere.
