HAVEN RECOVERY CENTRE

ABOUT HAVEN RECOVERY CENTRE

Haven Recovery Centre was founded in 1999. It exists to help families to live a joyful, hopeful and healthy lifestyle free from alcohol and drug addiction. We are located in Near Eldoret town, along Elgeyo-Boarder Road, 7 km from Eldoret town near Illula Primary School.

Haven Recovery Centre offers the following services:

- **Prevention**-We reach families to teach them how to talk with their children about alcohol and drug abuse. We also reach communities and schools to talk directly to the youth. This has played a great role in the prevention of alcohol and drug abuse.
- **Intervention**-Most people with substance use disorder deny that they are sick and need help. We take it our duty to talk to them and break through this denial.
- **Treatment**- We have a 90 day residential treatment and rehabilitation program where we start by doing a comprehensive assessment which will inform the treatment planning.
- **Follow up**— Follow-up is the continuation of the treatment process. We have a 24-month follow-up plan where we continue to assist our clients in their recovery journey.
